Schema Summary:
2019 End-of-Program Early Childhood Collection
Version 1.0

New legislation requires the reporting of children eligible for the Great Start Readiness Program but on a wait list. The Spring 2019 GSRP Wait List data will be collected beginning with the 2019 EOP Early Childhood Collection. In subsequent years, Spring waitlist information will be collected with the Spring collection.

This document deals with schema rules only. It does not address business rule changes. Please refer to the component business rule spreadsheets, located in the MSDS Collection Component Matrix, for information about changes to validation business rules. You may also refer to the MSDS Collection Details Manual for additional information.
